Will Book 4 page 246 Lunenburg County Virginia

Note — At this time we can only assume to which Branch of the WYNNE Family Daniel Winn belongs —

Some seem to think that he descends from the Thomas Wynne (1671) of Maryland Branch — While others believe he descends from Col. Robert WYNNE (1656) Charles City County Virginia.

The connection between Daniel Winn ^{to} (the) Thomas Wynne (Winn) of Maryland Branch of the WYNNE Family can be assumed on this point —

For Thomas Winn and his wife Mary Bouldin of Maryland had a son ~~named~~ Thomas Winn who married Sarah BANNISTER and they named 1 of their children Bannister Winn and the other Mourning Winn. He also had others. —

Now Daniel Winn married ~~Sarah~~ Sarah they had a son named Joseph Winn b 1755 d. 1800 married Elizabeth BACON and named 2 of their children — As did the above Thomas Winn did — one Bannister the other Mourning Winn.

This may be a clue to a connection. But we have no proof at this time

Note - Daniel Wynn lived in Prince
George County Virginia until 1752
when bought land from Samuel Wynn
in Lunenburg County Virginia - and
bought more land in 1754 and moved
there with his family. —

Samuel Wynn lived in Brunswick
County Virginia —

The Wynne Family and Kinsmen Association

28 October 1978

Dear Bob,

I'm going over the material you sent on Owen Wyn (1611 charter). You state that Sir Owen Winn did not at any time come to Virginia. What documentation, supporting evidence or logical line of thought do you have or know of to justify this statement?

You mentioned the Will of Owen Wyn, dated Jan. 1609/10, proved May 10, 1611. Do you have a copy of this Will? Where is this Will recorded? I would like to have a typed copy of the whole Will referenced to where it is recorded with book number and page number for our document file and for publication in the newsletter.

You sent me a page referenced to "Virginia Historical Collection". Where is this collection housed? Where can a copy be obtained. When was this published. Who wrote it? These are questions that we can expect members to ask if we publish material that isn't referenced to source.

I would like to make charts on this line but I need more clarification first. Who was the father of Richard, b. ca. 1670 d. 1748? Who was the father of John b. 8 Aug. 1751 m. Mary Bowles. I need to get a better understanding of the whole line. Which parts of the lineage can be documented?

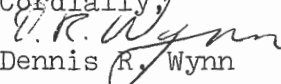

I will send you copies of charts to use as worksheets as fast as I can make them. Before we publish a chart I would like to get them referenced to documentation. You will notice that the charts I've sent you have no references to documentation yet. What I would like to do is put a number beside each persons name on a chart and then put the numbers on the back side of the chart. Under each number would be a list of documents or data sheets that we could supply a copy of concerning that person to justify that person being positioned as shown on the lineage chart.

What documentation do you have on your own line? I have some of your line charted but I don't have enough information to chart it all the way to you.

Rather than photo copies of original documents, what I really need at this time is typed copies of complete documents to support the charting and for publication.

The first issue of the newsletter isn't as good as I wanted but it's the best I could do with what I had to work with and in the time limit I set myself.

I believe we have a workable system to handle the massive amount of material we will be working with and hopefully we can get organized around the system before long to effectively serve the membership.

Cordially,

Dennis R. Wynn
